The following list of services is not intended to be definitive or exhaustive, nor is CDHS obligated to request all or any of the following listed services. - A. Analyze rate methodologies for compliance with the Centers for Medicare and Medicaid Services (CMS) Rate Checklist (Appendix A. PAHP, PIHP and MCO Contracts-Financial Review Documentation for At-risk Capitated Contracts Ratesetting). See Appendix 7 of this RFP for a copy of this document.
- B. - D. Construct and update, as requested, an automated model of one or more Medi-Cal managed care capitation rate methodologies for various providers, including but not limited to physician, pharmacy, long-term care, hospital, and outpatient facilities for the purpose of analyzing individual reimbursement variables (e.g., geographic location, inflation, eligibility, trend, utilization, national and regional factors, carved out services, administrative cost) and their relative impact on the total reimbursement system.

The specific Scope of Work will be determined, at the sole discretion of CDHS, based on CDHS' projected needs. A project plan will be prepared for each project, which may include, but not limited to, project identification number, project statement, deliverables, milestones, due date(s), and projected hours. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules

(Applicable to all agreements in which equipment, miscellaneous property, commodities and/or supplies are furnished by CDHS or expenses for said items are reimbursed with state or federal funds.)

- (1) **Major equipment:** A tangible or intangible item having a base unit cost of **\$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by CDHS or the cost is reimbursed through this agreement. Software and videos are examples of intangible items that meet this definition.
- (2) **Minor equipment:** A tangible item having a base unit cost of **less than \$5,000** with a life expectancy of one (1) year or more that is listed on the CDHS Asset Management Unit's Minor Equipment List and is either furnished by CDHS or the cost is reimbursed through this agreement. Examples include, but are not limited to: furniture (excluding modular furniture), cabinets, typewriters, desktop calculators, portable dictators, non-digital cameras, etc.

b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this agreement. To secure equipment above the annual maximum limit of \$50,000, the Contractor shall make arrangements through the appropriate CDHS program contract manager, to have all remaining equipment purchased through CDHS' Purchasing Unit. The cost of equipment purchased by or through CDHS shall be deducted from the funds available in this agreement. Contractor shall submit to the CDHS program contract manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with CDHS. The equipment will be delivered to the Contractor's address, as stated on the face of the agreement, unless the Contractor notifies the CDHS program contract manager, in writing, of an alternate delivery address.

(2) All equipment purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment purchases are delegated to subcontractors that are either a government or public entity.

d. Unless waived or otherwise stipulated in writing by CDHS, prior written authorization from the appropriate CDHS program contract manager will be required before the Contractor will be reimbursed for any purchase of \$5,000 or more for commodities, supplies, equipment, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by CDHS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

e. In special circumstances, determined by CDHS (e.g., when CDHS has a need to monitor certain purchases, etc.), CDHS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. CDHS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor

purchase that CDHS determines to be unnecessary in carrying out performance under this agreement.

- f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.

- h. CDHS may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 3 by giving the Contractor no less than 30 calendar days written notice.

Upon receipt of equipment and/or miscellaneous property, the Contractor shall report the receipt to the CDHS program contract manager. To report the receipt of said items and to receive property tags, Contractor shall use a form or format designated by CDHS' Asset Management Unit. If the appropriate form (i.e., Contractor Equipment Purchased with CDHS Funds) does not accompany this agreement, Contractor shall request a copy from the CDHS program contract manager.

- (2) If the Contractor enters into an agreement with a term of more than twelve months, the Contractor shall submit an annual inventory of state equipment and/or miscellaneous property to the CDHS program contract manager using a form or format designated by CDHS' Asset Management Unit. Instructions will be supplied by CDHS' Asset Management Unit.

- b. Title to state equipment and/or miscellaneous property shall not be affected by its incorporation

or attachment to any property not owned by the State.

- c. Unless otherwise stipulated, CDHS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Contractor's and/or Subcontractor's facility which may be affected by the removal of any state equipment and/or miscellaneous property.
- d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or miscellaneous property.
 - (1) In administering this provision, CDHS may require the Contractor and/or Subcontractor to repair or replace, to CDHS' satisfaction, any damaged, lost or stolen state equipment and/or miscellaneous property. Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the CDHS program contract manager.
- e. Unless otherwise stipulated by the program funding this agreement, equipment and/or miscellaneous property purchased/reimbursed with agreement funds or furnished by CDHS under the terms of this agreement, shall only be used for performance of this agreement or another CDHS agreement.

obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless CDHS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of CDHS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or CDHS and which result directly or indirectly from this agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this agreement. CDHS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against CDHS.
- (2) Should any Intellectual Property licensed by the Contractor to CDHS under this agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve CDHS' right to use the licensed Intellectual Property in accordance with this agreement at no expense to CDHS. CDHS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for CDHS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-

infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, CDHS shall be entitled to a refund of all monies paid under this agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

- (3) Contractor agrees that damages alone would be inadequate to compensate CDHS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges CDHS would suffer irreparable harm in the event of such breach and agrees CDHS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends \$500,000 or more in Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
 - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
 - (4) If the Contractor submits to CDHS a report of an audit other than an OMB A-133 audit, the

Contractor must also submit a certification indicating the Contractor has not expended \$500,000 or more in federal funds for the year covered by the audit report.

- d. Two copies of the audit report shall be delivered to the CDHS program funding this agreement. The audit report must identify the Contractor's legal name and the number assigned to this agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the CDHS program contract manager shall forward the audit report to CDHS' Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
- e. The cost of the audits described herein may be included in the funding for this agreement up to the proportionate amount this agreement represents of the Contractor's total revenue. The CDHS program funding this agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this agreement, Contractor agrees that if any performance under this agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

18. Novation Requirements

If the Contractor proposes any novation agreement, CDHS shall act upon the proposal within 60 days after receipt of the written proposal. CDHS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, CDHS will initiate an amendment to this agreement to formally implement the approved proposal.

19. Debarment and Suspension Certification

(Applicable to all agreements funded in part or whole with federal funds.)

- a. By signing this agreement, the Contractor/Grantee agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 7 CFR Part 3017, 45 CFR 76, 40 CFR 32 or 34 CFR 85.
- b. By signing this agreement, the Contractor certifies to the best of its knowledge and belief, that it and its principals:
 - (1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
 - (2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and
 - (4) Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.
 - (5) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.
 - (6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the CDHS program funding this contract.

- d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.
- e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the CDHS may terminate this agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, CDHS shall have the right to annul this agreement without liability or in its discretion to deduct from the agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this contract, CDHS may, at its discretion, withhold 10 percent (10%) of the face amount of the agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until CDHS receives a final report that meets the terms, conditions and/or scope of work requirements of this agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

CDHS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with CDHS. Negative performance evaluations may be considered by CDHS prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this agreement, hereby acknowledges the applicability of Government Code 16645 through 16649 to this agreement. Furthermore, Grantee, by signing this agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, CDHS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the agreement.

- (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.
- f. Earned/Accrued Compensation
- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
 - (2) For multiple year contracts, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the agreement. Holidays cannot be carried over from one contract year to the next. See Provision f (3)(b) for an example.
 - (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.
- (a) **Example No. 1:**
- If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a contract period of one year. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of the agreement, the Contractor during a one-year agreement term may only claim up to three weeks of vacation and twelve days of sick leave actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the agreement are not an allowable cost.
- (b) **Example No. 2:**
- If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).
- (c) **Example No. 3:**
- If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to CDHS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

In addition, the Contractor shall be liable to the State for administrative costs incurred by CDHS in procuring such similar supplies or services. However, the Contractor shall not be liable for any excess costs or administrative costs if the failure to perform the contract arises out of causes beyond the control and without fault or negligence of the Contractor or any of its subcontractors.

B. Termination for Convenience

CDHS retains the option to terminate this contract without cause at CDHS' convenience, provided that written notice has been delivered to the Contractor at least thirty (30) days prior to such termination date. In such event, at the request of CDHS, the Contractor shall furnish copies of all proposals, specifications, designs, procedures, layouts, copy, and other materials related to the services or deliverables provided under this contract, whether finished or works in progress on the termination date. The Contractor will not be entitled to reimbursement for any expenses incurred for services and deliverables pursuant to the contract after the notice date, unless the Contractor receives written advance approval from CDHS. Any services or deliverables for which the Contractor is paid which are provided according to the procedures in this paragraph shall become the property of CDHS.

All requests for substitution must be approved by CDHS, in writing, prior to using a substituted subcontractor.
- D. Requests for substitution must be approved by the program funding this agreement and must include:
 - 1) A written explanation of the reason for the substitution.

Exhibit E

5. Dispute Resolution Process

- A. This provision replaces and supersedes provision 15 of Exhibit D(F).
- B. If a dispute arises between the Contractor and CDHS, the Contractor must seek resolution using the process outlined below.
- 1) The Contractor should first informally discuss the problem with the CDHS program contract manager. If the problem cannot be resolved informally, the Contractor must direct the grievance together with any evidence, in writing, to the program Branch Chief. The grievance must state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief must render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefor. Should the Contractor disagree with the Branch Chief's decision, the Contractor may appeal to the second level.

A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal. The decision rendered by the Deputy Director or his/her designee shall be the final administrative determination of the Department.
 - 3) Unless otherwise stipulated in writing by CDHS, all dispute, grievance and/or appeal correspondence shall be directed to the CDHS program contract manager.
 - 4) There are organizational differences within CDHS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the CDHS program contract manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

8. Insurance Requirements

Contractor shall comply with the following insurance requirements:

A. Commercial General Liability

The Contractor must furnish to CDHS a certificate of insurance stating that commercial general liability insurance of not less than \$1,000,000 per occurrence for bodily injury and property damage liability combined is presently in effect for the Contractor. The commercial general liability insurance policy shall include coverage for liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply separately to each insured against whom claim is made or suit is brought subject to the Contractor's limit of liability.

- B. The certificate of insurance must be issued by an insurance company acceptable to the Department of General Services (DGS) Office of Risk and Insurance Management or be provided through partial or total self-insurance acceptable to DGS.
- C. The certificate of insurance must include the following provisions:

Exhibit E
Additional Provisions

- 1) The insurer will not cancel the insured's coverage without giving 30 days prior written notice to the California Department of Health Services, and
 - 2) The State of California, its officers, agents, employees, and servants are included as additional insureds, but only with respect to work performed for the State of California under this agreement.
- D. The Contractor agrees that the insurance required herein will remain in effect at all times during the term of the agreement. In the event said insurance coverage expires at any time or times during the term of this agreement, the Contractor agrees to provide, at least 30 calendar days before said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the agreement or for a period of not less than one year. CDHS may, in addition to any other remedies it may have, terminate this agreement on the occurrence of such event. New certificates of insurance are subject to the approval of DGS, and the Contractor agrees that no work or services shall be performed prior to such approval.
- E. CDHS will not be responsible for any premiums, deductibles, or assessments on the insurance policy.

9. Avoidance of Conflicts of Interest by Contractor

- A. CDHS intends to avoid any real or apparent conflict of interest on the part of the Contractor, subcontractors, or employees, officers and directors of the Contractor or subcontractors. Thus, CDHS reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Contractor to submit additional information or a plan for resolving the conflict, subject to CDHS review and prior approval.
- B. Conflicts of interest include, but are not limited to:
- 1) Where the Proposer/Contractor contracts with any Medi-Cal managed care health plan, provider, or billing agent for Medi-Cal services.
 - 2) Where the Proposer/Contractor has an Interest in a Medi-Cal managed care health plan, provider, or billing agent or Medi-Cal services.
 - 3) Where the Medi-Cal managed care health plan, provider, or billing agent for Medi-Cal services has an Interest in the Proposer/Contractor.
 - 4) Where a Proposer/Contractor's officer, director or employee, or a spouse or dependent child, is employed by a Medi-Cal managed care health plan, provider, or billing agent for Medi-Cal services or has an Interest in a Medi-Cal managed care health plan, provider, or billing agent for Medi-Cal services.
 - 5) Where pursuant to the Political Reform Act (Government Code Section 87100-87500), a CDHS official has an economic Interest in the Proposer/Contractor and the official makes, participates in the making of, or uses his or her official position to influence the making of a decision involving the Proposer/Contractor, where it is reasonably foreseeable that the decision could materially affect the official's economic Interest.

- C. Any form of ownership or interest held through the ownership of a publicly trade mutual fund shall not be deemed a conflict of interest solely on the basis of mutual fund ownership. Ownership of publicly traded stock by Proposer/Contractor, in a corporation which owns or controls a Medi-Cal managed care health plan, provider, or billing agent for Medi-Cal services must be reported to CDHS if the stock ownership is at least five percent of the outstanding stock in the corporation.
- D. CDHS believes that it is imperative that the Proposer/Contractor not have any contractual or financial relationships to Medi-Cal providers, their representatives, agents, or associations; or to any Medi-Cal managed care health plans. If relationships do exist, the Proposer/Contractor must identify all services that the Proposer/Contractor provided to all Medi-Cal providers, hospitals, clinical laboratories, and pharmaceutical and device manufacturers; to their representatives, agents, or associations; and to all Medi-Cal managed care health plans, since January 1, 2001, including services related to any lawsuit in which CDHS was an adverse party to the party for whom the Proposer/Contractor provided services. Further, it must be demonstrated through the proposed Conflict Avoidance Plan how the Conflict Avoidance Plan ensures that such relationships will not impact or adversely affect CDHS.
- E. If CDHS is or becomes aware of a known or suspected conflict of interest, the Contractor will be given an opportunity to submit additional information or to resolve the conflict. A Contractor with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by CDHS to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by CDHS and cannot be resolved to the satisfaction of CDHS, the conflict will be grounds for terminating the contract. CDHS may, at its discretion upon receipt of a written request from the Contractor, authorize an extension of the timeline indicated herein.

10. Prohibited Follow-on Contracts

- A. No person, firm, or subsidiary thereof who has been awarded a consulting services agreement may submit a bid for, nor be awarded an agreement for, the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate in the end product of the consulting services agreement.
- B. Paragraph A does not apply to any person, firm, or subsidiary thereof who is awarded a subcontract of a consulting services agreement which totals no more than 10 percent of the total monetary value of the consulting services agreement.
- C. Paragraphs A and B do not apply to consulting services agreements subject to Chapter 10 (commencing with Section 4525) of Division 5 of Title 1 of the Government Code.

11. Domestic Partners

This provision supersedes and replaces Provision 7 (Domestic partners) in the Department of General Services' Contractor Certification Clauses incorporated by reference within the General Terms and Conditions (GTC) cited on the face of the agreement. - C. CDHS may consent to the substitution in any of the situations set forth in Public Contract Code Section 4107 of the Subletting and Subcontracting Fair Practices Act.

The notice shall be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor that has been so notified shall have five (5) working days after the receipt of the notice to submit written objections to the substitution to the funding program. Failure to file these written objections shall constitute the listed subcontractor's consent to the substitution. If written objections are filed, CDHS shall give notice in writing of at least five (5) working days to the listed subcontractor of a hearing by CDHS on the prime contractor's request for substitution.
- E. Failure of the contractor to subcontract with the small businesses listed in its bid or proposal to CDHS, or failure to follow applicable substitution rules and regulations may be grounds for the Department of General Services to impose sanctions pursuant to Government Code Section 14842.5 and Title 2, California Code of Regulations § 1896.16. In the event such sanction are to be imposed, the Contractor shall be notified in writing and entitled to a hearing pursuant to Title 2, California Code of Regulations § 1896.18 and § 1896.20.

Turnover related activities are not billable activities; however, costs of reproduction shall be borne by the State.

If the Contractor does not provide or perform the requirement within 15 days of the written notice, or longer if allowed by the State, the State may impose liquidated damages of \$500 per requirement per day for each day the requirement continues not to be provided or performed. If after 15 additional days from the date of the State imposed liquidated damages, the requirements still have not been provided or performed, the State, after written notice to the Contractor, may increase the liquidated damages assessment to \$1,000 per State working day per requirement until the requirement is provided or performed. No liquidated damages may be claimed by the State solely because the requirement is not provided as scheduled unless the writing specifies the deliverable's "critical must date" and the writing is signed by the State Contracting Officer and the Contractor's agent.

The Contractor shall develop a report describing, at a level of detail sufficient to be understandable to a layperson, the data and other materials to be transferred to the State. This report shall be submitted to the Contracting Officer within five State working days of termination or expiration of the contract.

All data and information provided by the Contractor shall be accompanied by letter, signed by the responsible authority, certifying to the accuracy and completeness of the material supplied.

31. Contract Extension

The State shall retain the exclusive right to exercise the option to extend the term of the contract during the last twelve months of the contract, as determined by the original end date or by a new end date if an extension has been exercised. The State may invoke up to one (1) extension of one year. The Contractor shall be given at least 90 days prior written notice if the State chooses to exercise this option.

Due to the complex nature of this RFP, the State reserves the right to amend the contract if ongoing actuarial activities require that the current contractor be retained to ensure continuity of actuarial services. This right is in addition to the rights set forth in the immediately preceding paragraph. The amendment may be for a period of up to twelve months. During the twelve month amendment period, the Contractor will be limited to work pertaining to ongoing actuarial activities already assigned to the Contractor during this period. The Contractor shall be given at least 90 days prior written notice if the State chooses to exercise this option.

32. Definition of Terms

Where there is a conflict in terminology, the parties shall first rely on the definitions provided within the Glossary of Terms (Appendix 1). If the glossary does not define the term, then a definition within the body of the contract will prevail. In the absence of a definition in the Glossary of Terms within the body of the contract, the parties agree to use the usual and customary meaning of the terminology.
